-

Work Experience

Millenium Solution EA Ltd, Nairobi — Full Stack Developer and Microsoft 365 business central developer

May 2023 – May 2024

Millennium Solutions E.A, is a premier destination for cutting-edge technology solutions in the ever-evolving landscape of business and enterprise software. It is a forward-thinking IT company dedicated to empowering organizations with the latest in Dynamics NAV 365 and business solutions.

Some of my achievements include, but not limited to:

1. **Dynamics NAV Development:** Skilled in customizing, developing and solutions using Microsoft Dynamics NAV.
2. **Data Loss Prevention:** Capable of deployment of DLP solutions.
3. **WordPress Website Development:** Capable of designing and building websites using WordPress, including customization and plugin integration.
4. **Problem-Solving:** Good at finding solutions to technical challenges and troubleshooting issues.
5. **Team Collaboration:** Works effectively with team members to achieve project goals and objectives.
6. **Project Management:** Able to manage and coordinate projects, ensuring timely delivery and quality outcomes.
7. **Continuous Learning:** Committed to staying updated with the latest developments and technologies in the field.
8. **Attention to Detail:** Pays close attention to detail to ensure accuracy and quality in work.
9. **Adaptability:** Can adapt to new technologies and environments quickly and effectively.
